

Dinosaur Hokey Pokey

**You put your long necks in,
You take your long necks out,
You put your long necks in,
And you shake them all about.**

**You do the Dino Pokey and you
turn yourself around,
That's what it's all about!**

**You put your horned heads in,
You take your horned heads out,
You put your horned heads in,
And you shake them all about.**

**You do the Dino Pokey and you
turn yourself around,
That's what it's all about!**

**You put your sharp claws in,
You take your sharp claws out,
You put your sharp claws in,
And you shake them all about.**

**You do the Dino Pokey and you
turn yourself around,
That's what it's all about!**

**You put your pointy teeth in,
You take your pointy teeth out,
You put your pointy teeth in,
And you shake them all about.**

**You do the Dino Pokey and
you turn yourself around,
That's what it's all about!**

**You put your armored backs in,
You take your armored backs out,
You put your armored backs in,
And you shake them all about.**

**You do the Dino Pokey and
you turn yourself around,
