

Construction Paper Dog

Materials needed:

Construction paper
(brown, white, black, and pink)
Scissors
Glue

Instructions:

1. Cut out a large brown oval for the dog's body and a smaller oval for the head.
2. Cut out two medium-sized white ovals for the eyes and two small black ovals for the pupils.
3. Cut out two small pink ovals for the ears and a smaller pink oval for the nose.
4. Glue the eyes and pupils onto the head oval, and then glue the head onto the body oval.
5. Glue the pink ovals onto the top of the head oval for the ears.
6. Glue the smaller pink oval onto the head oval for the nose.
7. Cut out four small brown ovals for the paws.
8. Glue the paws onto the bottom of the body oval.

Now you have a cute dog made from construction paper! Personalize your dog by adding details such as a tail, collar, or spots. This is a fun and simple craft can help develop fine motor skills while nurturing creativity and imagination.
